Beach Walks:

With the lodge situated in a 30,000 hectare sanctuary, feel free to discover the magnificent area. Please contact management on your departure and we will provide you with a radio for communication and a map to guide you on your venture.

ON-SITE ACTIVITIES

Snorkelling:

It is recommended that you snorkel in front of the lodge around the jetty during incoming tide or even better, at high tide. You will find gear that should fit your requirements on the deck to experience Dugong's "fish tank".

Kayaking:

This activity gives you an opportunity to venture after dolphins or head south to drift between the mangroves and enjoy the silence. For the more active, a long paddle north along the coast to Pelican Bay can be enjoyed.

Massage Treatments:

Various massages options are offered to help you relax. A list of treatments is available at reception and needs to be booked 24 hours in advance

Hobie Cat:

As all sailors know, this is one of the easiest boats to sail. Hours of pleasure and great distances can be covered. You are required to stay in sight of the lodge and our skippers are qualified to take you out on a refresher course should you require.

ON-SITE ACTIVITIES

Outdoor Cinema on beach:

An outdoor cinema on the beach provides a truly unique movie experience. Experience a bespoke movie night under the stars while enjoying the fresh sea air and picturesque views of the crystal clear beach.

Tubing:

This is something for the more adventurous!

This experience includes being towed behind a jetski or a speed boat, or just floating on the ocean tides.

OFF-SITE ACTIVITIES

Island Hopping:

The boat can be hired for exciting island excursions. Experience the true Mozambican culture by visiting a variety of islands for a whole day with a designated skipper.

Visit to local Fishing Village:

Experience a Mozambique Fishing Village and see the variety of fish caught by the local fishermen.

Fishing:

A half hour trip will take you to the fishing grounds in the deep blue, where there is an excellent chance of landing the fish of your dreams. Try your angling hand at many different species of game fish including Wahoo, Darado, Yellow Fin Tuna, King and Queen Mackerel as well as billfish (Sail fish and Black Marlin). The boat can accommodate up to four anglers.

OFF-SITE ACTIVITIES

Diving:

If you would like to see the bottom of the ocean and experience the marine life up close and personal, this activity is for you. If you are lucky you might be able to get up close to the nearly extinct "Atlantic Dugong" (which resembles a sea lion). A diving license is required to partake in this activity as well as 24 hours prior notice.

DINING OPTIONS

Daily meals are served in the dining room and on the main deck in either buffet or à-la-carte style. Dugong Beach Lodge has a variety of other exclusive dining experiences available on request, including exciting picnic excursions to different nearby islands, as well as meals set up on the jetty overlooking the ocean.
